Benefiting Charities

The Somerset Patriots Children's Educational and Sportsmanship Foundation is a way for the Somerset Patriots Baseball Club to support the community that has been extremely supportive of the team since it formed. Whether it is a local cause or one that affects a larger population, the Patriots are doing their part to make sure help is given to those in need.

American Diabetes Association and Somerset Patriots

The American Diabetes Association (ADA) is the nation's leading 501c3 nonprofit health organization providing diabetes research, information and advocacy. Founded in 1940, the ADA funds research, publishes scientific findings, and provides information and services to people with diabetes, their families, health professional and the public. The ADA is actively involved in advocating for scientific research and for the rights of people with diabetes.

The ADA has been a partner with the Somerset Patriots for the past five years. This relationship has strengthened over the last three years, as TD Bank Ballpark has been the host site for the ADA's Step Out: Walk to Fight Diabetes – Bridgewater which is held annually each October. Monies raised from this event support the mission of the American Diabetes Association, which is to prevent and cure diabetes and to improve the lives of all people affected by diabetes.

The date for this year's Step Out: Walk to Fight Diabetes – Bridgewater will be Sunday, October 25.
