HEALTH

Jodie enters his 17th overall season with the Somerset Patriots organization. He carries a 556-405 (.579) record in his first seven seasons as manager, including a 2015 Atlantic Championship. His teams have won seven of a possible 14 Half Championships and have made the playoffs in all but one season with him at the helm.

The South Carolina native was named the 2015 Atlantic League Manager of the Year after his team not only won the league's title but recorded a historic 50-win first half: the most wins in any half by any team in league history. Additionally, Jodie's 2013 team set a franchise record with 90 wins.

Somerset's skipper has twice reached notable landmarks during his tenure as manager. Jodie became the fastest manager in league history to win 250 games, setting that mark on August 26, 2015. He continued his record-setting pace in 2019 when he also became the fastest manager in league history to reach 500 wins.

Jodie first joined the Patriots organization in 2003 as a player. That year, the former New York Yankee southpaw went 12-5 with a 3.78 ERA en route to an Atlantic League championship. He also made 10 starts with Somerset in 2005 before he announced his retirement. Jodie then became the team's pitching coach in 2006 – a position he held through 2012 – and the Director of Player Personnel from 2007 through 2013. He won two additional championships as a coach in 2008 and 2009.
